## Calendar Full of Interesting Coming Events

**Remainder of Spring Quarter to Be Crowded.—Outstanding Entertainment Program Planned for Summer Months.**

The College calendar for the remainder of the spring quarter promises to be a full and very interesting one. Aside from the regular work, a number of events will be held. The annual Spring Music Festival will begin May 4, and commencement exercises for both the high school and College departments will take place the latter part of the quarter.

The high school commencement exercises will open May 15 with the baccalaureate sermon, and on May 18 the commencement address will be given for the high school group.

On the following Saturday, May 21, the College senior play will be presented in the College auditorium. The baccalaureate sermon for the College division will be held May 22, and on the following day the senior class will hold its breakfast and class day exercises. President and Mrs. Lamkin's reception will also be on that date.

On May 24, at the morning assembly hour, the commencement address will be given for the College graduates.

The spring quarter closes at 4 p. m., May 25, while the short course students will continue with their class work until the same hour, two days later.

The summer session will open May 31, and President Lamkin announced today that a well-rounded entertainment program was to be presented during the term.

On June 7, the Coffey-Miller players will appear at the College for a matinee and evening performance. At the afternoon performance, the players will be seen in "She Stoops to Conquer," and the evening performance promises to be an excellent one, with the company presenting "Love in Livory."

On June 29, the College is to have the opportunity to hear one of America's foremost harpists on the concert stage, when Albert Salvi will appear in a recital at the College.

Paul Henning, a magician and entertainer who appears on the platform of many colleges and universities during the summer months, will give a varied entertainment on July 13, and the following week, on July 19, the students of the College will be given the opportunity of hearing Edward E. Slosson, one of the best known popular lecturers on science at the present time.

The College has also made arrangements to secure a number of the newest releases in motion pictures for presentation during the summer quarter. Perhaps some of the best of this group will be Gloria Swanson in "Runy," "Les Miserables," "The Fourth Commandment" and several others of the same calibre.

Margaret Quilan has been doing extensive work on Edgar Allen Poe. Something in the line of a detective story may be expected from her soon.

## 1500 Representatives from 65 Schools Are Entered in District Contests Here

### MUST OBSERVE COLLEGE RULES

All girl contestants who are in Maryville as guests of the College this week will be required to observe College regulations. They will be asked to be in their rooms one half hour after the completion of all night contests. This is the ruling pertaining to all women students of the school, and it is being applied to the contestants by request of the different schools.

## Debaters Work in Anticipation of Two Clashes

**Teachers College Contests to Be Held May 9.—College Represented by Both Affirmative and Negative Teams.**

The debating teams are now working on the question for debate with the five teachers colleges of Missouri. The question that the Teachers will debate is, Resolved: "That the Direct Primary should be abandoned in favor of the Convention System, as a method of nominating Local, State, and Federal Officers."

There has been much agitation over the primary system, since its adoption, and especially during the past six years. It has reached the climax in the recent exposures in Pennsylvania and Illinois by Senator James Reed and the Slush Fund Committee. Although it is hardly possible to get a decision favoring one side or another, for definite reasons, the debate is proving of interest to those working on it.

The affirmative team of Burdette Yeo and Mary Esther O'Banion will debate the negative team of Cape Girardeau at Kirksville, and the negative team will meet the affirmative team of Warrensburg at Springfield. According to the contract, these debates will be held on May 9th.

Margaret, Catherine, and Elizabeth Mills and Wilma Robbins were the week end guests of June Cozine at the home of Miss Cozine near Dearborn.

## Mr. Gardner Judges

Mr. Gardner, chairman of the music department, was in Red Oak, Iowa, Friday and Saturday, judging the District Music Contest held there. There were about 900 entries in the events which included both choral and orchestral work, under three classifications made according to the size of the town. The winners in each event will go to the Iowa State University contests next week.

Mr. Gardner was one of the six judges of the contest. He reports that there was some nice work shown. This was only the second year that district contests have been held in Iowa.

### SIXTY-SIX CONTESTS DRAW MORE ENTRIES THAN EVER BEFORE

Today, tomorrow, and Saturday will mark the advent of a record breaking crowd of high school contestants for the annual Northwest Missouri High School Contests, sponsored by the College.

A final check on entries shows that approximately 1500 high school students, and teachers will be in Maryville sometime during these three days.

Forty different schools are to be represented on the College track and field Saturday, and seventeen girls' track teams have been entered for the contests for girls to be held tomorrow afternoon.

Mr. Gardner, director of music, reports that he has more than 800 entries for music events, including violin solo, piano solo, band, orchestra, quartets, glee clubs, and choruses.

Bethany sent in an entry of 100 persons, who are "doped" to show up well in music events. Last year Bethany won several of the Class A events in the Music Department.

Mound City has a very large entry this year, considering the size of the town, and reports are favorable for their musical aspirations.

From the track entries it would be very difficult to pick out any possible winners, as several of the larger teams have shown remarkable work for early season encounters. Cameron, Maysville, Central (St. Joseph), Maryville, Ridgeway, Trenton, and Chillicothe are all strong teams and have shown up well in the past. The strength of many other teams is a thing of conjecture.

Rooms have been arranged for all the contestants and they are to be given their meals at Residence Hall and various other places in town. The people of Maryville have co-operated splendidly in providing rooms for the visitors.

It has always been the theory that no spring contests could be successful without rain, or at least it seems so, for rain has almost come to be a definite part of the contests.

Last year the girls' track meet was a slow one, the events having to be run on the field on account of the muddy condition of the track. The boys' track meet was not fast either, because the track was in a bad condition.

However, if the weather continues to be good, this year is going to be the high water mark of all the spring contests. The track is being put into excellent shape, many contestants have been entered, and indications are that it will be as gala an event as Maryville has ever sponsored.

## Y. in Regular Meet

At the regular Y. M. C. A. meeting held Tuesday morning, the regular song service was held. For the devotional service, verses and sentence prayers were given by each member.

The remainder of the time was given over to a business meeting. A joint Y. M. Y. W. meeting was suggested.

### SUMMER QUARTER OPENS MAY 31

The summer quarter at the College opens on May 31. Indications are that there will be an unusually large enrollment this year. Persons interested are asked to write to the College for a catalog of the session, which is just off the press. During the summer quarter an interesting entertainment program has been planned. The summer quarter ends August 5 and the fall term opens September 13.

## Athletic Field Contract to Be Awarded Soon

**College Regents Re-Elect Lamkin for Indefinite Period at Meeting in St. Joseph Tuesday.—Much Business.**

Track and field contestants who come to Maryville for the meet next year will participate on the new athletic field, according to an action of the College Board of Regents in St. Joseph, Tuesday. The Regents, after consultation with the architect and engineer, voted to let the contract at once for the grading of the track and field. Then the project will be allowed a number of months to settle. This will delay completion of the track and field, but it will insure the best sort of a finished product, since there will then be no settling of the track and field after completion.

The Regents paid a tribute to President Lamkin at the meeting by electing him president of the school for an indefinite period. This is the establishment of a precedent, since it has always been the policy to elect the head of the school for a definite term of years.

Dr. Jesse Miller of Maryville was re-elected president of the board. B. G. Voorhees of St. Joseph was chosen vice president, and Mr. Rickonbrode was named secretary. The appointment of Mr. Rickonbrode as business agent of the College and Miss Hudson as registrar was ratified. The Regents authorized the payment of all indebtedness on the new gymnasium.

## Freshmen Win Title

The final game of the inter-class soccer tournament resulted in a tie between the Freshmen and Sophomores and in order to determine the winner the total scores of all games were used, making the Freshmen champions by one point.

These games were played in order to choose a varsity team and the following people were placed on the squad: Ethel Chamberlain, sophomore; Sarradah Davis, freshman; Pauline Manchester, senior; Denail Diley, freshman; Lois Brown, sophomore; Fern Murray, captain, senior; Kathleen Jones, freshman; Helen Hankins, sophomore; Rose Patton, junior; Margaret Johnson, sophomore; Margaret McMurray, senior; and Maurine Aeby, sophomore.

## Music Festival to Be Held at College May 4-6

**Conservatory Graduates, College Organizations, and Madam Alcock to Be Features of Annual Event.**

The Sixth Annual Spring Music Festival, sponsored by the music department of the College will be given May 4 to 6 inclusive.

It has always been the policy of the College to continue the Music Festival for a week, but this year the festival was incorporated with the Winter Artists Course, thus bringing the best in music, art, and literature to the College during the winter quarter, rather than concentrating the complete program into one week.

On Wednesday evening, May 4, the conservatory graduates will give a program. Miss Dottie Davis, pupil of Miss Dvorak, Miss Winifred Dickey, Miss Elizabeth Mills, Miss Margaret Mills, Miss Hettie Mae Woodward and Mrs. Wayland Richards, all pupils of Mr. Annett, will appear on the evening performance.

On Thursday evening the College musical organizations will present a varied and interesting program. The choral club, women's glee club, men's glee club, and the College orchestra will all be represented in the program.

On Friday evening, Madam Merle Alcock, contralto, will give a recital.

Following is a program for the three evening performances.

## Mailing the College Paper Is Quite a Complicated Task

If you should happen to be near the east end of the hall on second floor some Wednesday afternoon, you would perhaps see a scene which, at first glance, would seem to be a general conglomeration, but on a second glance, out of chaos would seem to come a highly organized system, working at top speed.

In other words, the Northwest Missourian, with a circulation of more than 3700, is wrapped, addressed, put into mail sacks and taken to the post office in less than five hours after it leaves the printing office.

There are about 500 newspapers which have to be wrapped in single wrappers, and addressed to individuals all over the United States. In fact, there are papers going out of the States, one paper going to the Channel Islands, another to Mexico, making the activities of S. T. O. a matter of world history, rather than local.

The city papers do not have to be wrapped, and the only work done in the College in this group is the addressing of the name. About 1000 papers are distributed in Maryville and vicinity.

The rest of the papers are wrapped in bundles, each paper bearing the address of the individual to whom it is to go, and the bundle being addressed to the city.

The papers are addressed on the addressograph, the operator running about 850 papers an hour.

The address is made on a permanent stencil, cut on the typewriter, and filed away, and these stencils

are run through the addressograph in alphabetic order, and are automatically caught by a receiving arm in the same order in which they have been put in the machine.

One man can wrap about 500 "single-wraps" in an hour, and the group or city-bundles can be wrapped almost twice that rapidly.

The work, from the time the papers leave the printing office, until they are placed into the post office, is done by two men, each working on some individual duty, with no questions or arguments about what the other fellow shall do. In fact, the men sometimes work an hour or two at a time without saying a word to each other, and it is seldom that any variation is made in the work of the afternoon.

In other words, "system and efficiency" is the motto of the mailing department.

## College Picture is An Outstanding One

"The Beloved Rogue," featuring John Barrymore, shown at the Missouri Theatre under the sponsorship of the College, last Thursday and Friday nights, was well attended, not only by the students but also by the townspeople.

"The Beloved Rogue" was based on the life story of the famous French poet, Francois Villon. The scenes were carefully made with attention to historical details of action and costuming. The character

of Francois Villon was excellently portrayed by John Barrymore.

It is hoped that the College will sponsor more pictures of this type. Within a few weeks the College will again show these pictures in the College auditorium.

## What the Fraternities Are Doing

### SIGMA SIGMA SIGMA

Sigma Sigma Sigma held its annual Founder's Day Banquet at 7:30 o'clock last Wednesday at Residence Hall. This was in celebration of the twenty-ninth birthday of the sorority.

Plates were laid for thirty-four on tables placed in the shape of a triangle. Purple and white candles were the basis of the decorations. The beautiful white birthday cake made the banquet seem like a real birthday supper. The favors were miniature pine trees, one of the symbols of the sorority. The trees also served as the subject of the toasts, which were given on the branches, roots and leaves, as symbols of different phases of sorority life. All joined in the singing of Sigma Sigma Sigma songs.

Preceding the banquet, the sorority initiated four pledges, Merea Williams, Leona Phander and Dorothea Cook as active members, and Mrs. Lora Meacham as an alumna member. Garland Groom, president, presided at the initiation ceremony, which was held in the solarium at Residence Hall.

Following this ceremony, the regular business meeting was held.

Mrs. Bruce Montgomery, Mrs. A. T. Estes and Mrs. Harry Mutz were alumnae guests at the meeting.

### KAPPA OMICRON PHI

The Kappa Phi sorority met last Thursday at 8:20 o'clock at the College. An interesting feature was the roll call, each member answering with a few comments on the life of some great composer or some form of music. This was followed by an entertaining talk on "Music in America and in American Homes," by Miss Dvorak. The members were delighted when Miss Dvorak played "Old Folks at Home" with double stopping, and "Lullaby" by Kreisler.

Tea was served when the program was finished. The committee in charge was Mary Handel, chairman, Oleta McCoy, Carmine Williams, Hazel Irwin, Edith McMillan, and Julia Newton.

The Kappa Phi will sell sandwiches on the athletic grounds, Friday and Saturday.

Five students were pledged to the sorority just before the Easter vacation. They are Garland Groom, Virginia Nicholas, Hazel Irwin, Mary Vogelgesang, and Gertrude Wray.

### PI OMEGA PI

The Pi Omega Pi Commercial Fraternity held informal and formal initiation at the College last Saturday afternoon. The following were informally initiated: Ruth Hughes, Merea Williams, Margaret McMurray, Miriam Otterson, Wilma Galbreath, Ludema Tannehill, Mabel Albright, Mrs. Mary Grubb, Homer Needles, Chilton Ross and Mr. Eek.

Ludema Tannehill and Mabel Albright were formally initiated and became full-fledged members of the fraternity. Zona Robertson, Mabel Albright, Ludema Tannehill and Russel Lewis were initiated as pledges.

Following the initiation ceremony the members went to the Linville Hotel, where at 6 o'clock, a banquet was served. Following the banquet, Chilton Ross gave a vocal solo, and letters from the associate Pi Omega members, who had written to the fraternity were read.

Ina Wachtel spent the week-end with her parents in Savannah.

Veronica Hall went to Parnell, Friday to visit her parents. She returned Sunday evening.

### W. A. A. to Hold Hike

The Women's Athletic Association held a short meeting last Friday at the Gymnasium and made plans for a hike and picnic supper which they will hold next week. The W. A. A. will have charge of the check rooms at the gymnasium during the contests. Ethel Chamberlain and Opal Spohn are in charge of the committee to do this.

## Chorus Members to Sing in Two Towns

A selected group from the College chorus will give programs at Sheridan and at Grant City next Sunday. The group will leave about 9 o'clock and sing at Sheridan during the morning church service. They will then go on to Grant City where they will give a program at the Christian Church at 4 o'clock.

Twenty-four students have been chosen from the chorus to make this trip.

Besides the numbers, by the chorus, there will be a piano solo by Margaret Mills, a violin solo by Audrey Stiwalt, and a soprano solo by Elizabeth Mills.

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to inspire a like respect and reverence in others. We will transmit this College to those who come after us, greater, better and more beautiful than it was transmitted to us."

## YOUR CONTESTS; YOUR COLLEGE.

Almost fifteen hundred high school students and teachers will be in Maryville this week to represent sixty-five high schools of Northwest Missouri in the annual district interscholastic contests. When one stops to think that these contestants alone could populate a small town, he is able to realize just what sort of an undertaking the contests are.

The district high school contests are sponsored by the College for the high school students of this district. There are contests of almost every nature, and students from towns bordering on the Iowa line are brought into friendly competition with other students who live almost on the bank of the Missouri river. It is an occasion when students from all parts of this teachers college district mingle with one another for three days and contest with one another in music, art, athletics, literature, and a half-dozen other kinds of competition. The College is proud to be able to bring the high school students of Northwest Missouri to visit our College. For this is not a Maryville institution; it is a Northwest Missouri institution.

The visitors are invited to inspect the College in its every department. They are invited to enter the classrooms, the Residence Hall, the gymnasium, the library, in fact every room and building on the campus. This is your school make yourself at home all the time.

Sponsoring the contests is a tremendous undertaking, and there undoubtedly have been mistakes made. It is next to impossible to handle names and entrance fees for more than fourteen hundred persons without making an error somewhere. In several instances mistakes have been caught while in the making, and those managing the three-day meeting must ask the indulgence of the visitors. Even as there have been people to make mistakes, so there are those who are ready at a moment's notice to correct them. All members of the College faculty or student body will gladly assist visitors if they are having trouble in any way.

Although the College is primarily sponsoring the contests, the people of Maryville have been kindness personified in throwing open their homes for the entertainment of the visitors. To house a thousand and a half extra persons is a worthy task for any city of five thousand, but the residents of Maryville have been more than equal to the occasion, and rooms have been provided for everybody.

The contests start today. Make yourself at home have as good a time as possible; win if you can, but remember that someone must always lose when there is competition; and, above all, come back to your College whenever you can.

## KEEPING COLLEGE HOURS

A ruling of the contests this year provides that high school girls who are guests of the College for the contests shall observe the regulation of the school in regard to the time in which they shall be in their rooming houses at night. The ruling provides that girl contestants shall be in their temporary homes one half hour after the night programs end. The College is merely asking the visitors to do what all College women do, and the cooperation of the girls and their instructors is solicited.

## All Contests Show an Increase in Enrollment

All of the contests this year have drawn well. The record-breaking entry list has not been confined to one branch of the contests, but all have shown a marked increase in enrollment. The contests are divided into departments, and the College faculty members who are chairmen of departments of the school are in charge.

Mr. Kinnaird, chairman of the biological science department, is in charge of the contests in agriculture. He will personally supervise the two contests in live stock judging, while the contests in grain judging will be under the direction of Mr. Withington of the same department.

Entries in the agriculture contests follow:

## What the Fraternities Are Doing

### SIGMA SIGMA SIGMA

Sigma Sigma Sigma held its annual Founder's Day Banquet at 7:30 o'clock last Wednesday at Residence Hall. This was in celebration of the twenty-ninth birthday of the sorority.

Plates were laid for thirty-four on tables placed in the shape of a triangle. Purple and white candles were the basis of the decorations. The beautiful white birthday cake made the banquet seem like a real birthday supper. The favors were miniature pine trees, one of the symbols of the sorority. The trees also served as the subject of the toasts, which were given on the branches, roots and leaves, as symbols of different phases of sorority life. All joined in the singing of Sigma Sigma Sigma songs.

Preceding the banquet, the sorority initiated four pledges, Merea Williams, Leona Phander and Dorothea Cook as active members, and Mrs. Lora Meacham as an alumna member. Garland Groom, president, presided at the initiation ceremony, which was held in the solarium at Residence Hall.

Following this ceremony, the regular business meeting was held.

Mrs. Bruce Montgomery, Mrs. A. T. Estes and Mrs. Harry Mutz were alumnae guests at the meeting.

### KAPPA OMICRON PHI

The Kappa Phi sorority met last Thursday at 8:20 o'clock at the College. An interesting feature was the roll call, each member answering with a few comments on the life of some great composer or some form of music. This was followed by an entertaining talk on "Music in America and in American Homes," by Miss Dvorak. The members were delighted when Miss Dvorak played "Old Folks at Home" with double stopping, and "Lullaby" by Kreisler.

Tea was served when the program was finished. The committee in charge was Mary Handel, chairman, Oleta McCoy, Carmine Williams, Hazel Irwin, Edith McMillan, and Julia Newton.

The Kappa Phi will sell sandwiches on the athletic grounds, Friday and Saturday.

Five students were pledged to the sorority just before the Easter vacation. They are Garland Groom, Virginia Nicholas, Hazel Irwin, Mary Vogelgesang, and Gertrude Wray.

### PI OMEGA PI

The Pi Omega Pi Commercial Fraternity held informal and formal initiation at the College last Saturday afternoon. The following were informally initiated: Ruth Hughes, Merea Williams, Margaret McMurray, Miriam Catterson, Wilma Galbreath, Ludema Tannehill, Mabel Albright, Mrs. Mary Grubb, Homer Needles, Chilton Ross and Mr. Eek.

Ludema Tannehill and Mabel Albright were formally initiated and became full-fledged members of the fraternity. Zona Robertson, Mabel Albright, Ludema Tannehill and Russel Lewis were initiated as pledges.

Following the initiation ceremony the members went to the Linville Hotel, where at 6 o'clock, a banquet was served. Following the banquet, Chilton Ross gave a vocal solo, and letters from the associate Pi Omega members, who had written to the fraternity were read.

Ina Wachtel spent the week-end with her parents in Savannah.

Veronica Hall went to Parnell, Friday to visit her parents. She returned Sunday evening.

### W. A. A. to Hold Hike

The Women's Athletic Association held a short meeting last Friday at the Gymnasium and made plans for a hike and picnic supper which they will hold next week. The W. A. A. will have charge of the check rooms at the gymnasium during the contests. Ethel Chamberlain and Opal Spohn are in charge of the committee to do this.

## Chorus Members to Sing in Two Towns

A selected group from the College chorus will give programs at Sheridan and at Grant City next Sunday. The group will leave about 9 o'clock and sing at Sheridan during the morning church service. They will then go on to Grant City where they will give a program at the Christian Church at 4 o'clock.

Twenty-four students have been chosen from the chorus to make this trip.

Besides the numbers by the chorus, there will be a piano solo by Margaret Mills, a violin solo by Audrey Stiwalt, and a soprano solo by Elizabeth Mills.

## 1927 Tower to Soon Be Ready for Distribution

College Yearbook Full of Interesting Sections.—Being Proof Read Now.—Divided Into Ten Parts.

The 1927 Tower will soon be ready for distribution to the student body and the public at large. The book is now in the hands of the printers, more than one-half of it has been returned and the staff is now busy reading proof. Byron Beavers, editor of the 1927 Tower, said that he hoped to have the book ready for distribution within the next two or three weeks, if not sooner.

The new Tower will be larger than those of the past, and the staff hopes that it will be better, as no effort has been spared to make it the best yearbook published by this College. The new yearbook will be divided into ten sections. The first will be the dedication, followed in turn by Frontal, Scenic Section, Administration, Classes, Activities, Organizations, Athletics, Literary Section, and a section devoted to snap-shots of the student life as viewed on the campus and elsewhere by the all-seeing eye of the camera. Another added feature of the new Tower will be the two pages for the autographs of friends.

## Ora McPherron New Philomathean Head

The Philomathean Literary Society met Thursday to elect a president and a secretary to fill the vacancy left open by the resignation of Irma Watchell and Edith Shoemaker.

Ora McPherron was elected president, and Maud Kibbee was chosen secretary.

The following program was given: piano solo by Martha Haas and an original essay by Mae Sturm. The following new members were taken into the society: Merle Williams and Catherine Mills.

From the looks of the lawn we may begin to expect to see some dandelion greens on our boarding house tables.

Neva Noles spent Saturday and Sunday at her home in Hopkins. She returned Monday morning.

## Sam Urban Elected Science Club Pres.

The Mathematic and Science Club elected the following officers to serve the remainder of the spring term:

Sam Urban, president; Cleo Wyman, vice-president; Edith Shoemaker, secretary-treasurer; and Merlin Warehime, sargent at arms. The club will hold an open meeting next Thursday at 3:20, in room 326. The student body is invited to attend.

## Dancing Class Has Its First Meeting

The first of the second series of dancing lessons, was held last Wednesday night in the old library, under the direction of Mr. Prinz, of St. Joseph. The Student Council sponsored a similar set of lessons earlier in the fall and winter, and the results were so satisfactory that a number of students signified their intentions of continuing with the lessons. The present course is a continuation of the former, and is for more advanced students. Due to the lack of room, the class is limited to 100 members.

Hazel Wilson, a former student here, has enrolled for the short course. Miss Wilson has been teaching near St. Joseph this last year.

**Sing at D. A. R. Meeting**  
Vernon Barrett and Paschal Monk gave a group of songs at the meeting of the D. A. R. at the home of Mrs. Forest Gillam last Wednesday afternoon at 4 o'clock. Following the musical program, Senator Ford spoke on "Constitutional Amendments".

Opal Wilson and Mildred Long were guests of Thelma Brown near Maryville, at a one-o'clock dinner, Sunday.

Laura Gaebler was the guest of Mildred Cook Saturday and Sunday at the home of Miss Cook in Maltland.

## Men's Glee Club in Assembly Program

The Men's Glee Club was warmly received in assembly yesterday morning. This was their second appearance in assembly and their tone quality has greatly improved since the first program they gave, which was almost immediately after the club had been organized.

Much credit is due Mr. Gardner, the director, who has trained the men to sing in such a unified manner. Margaret Mills played the accompaniments in a delightful manner.

Several encores were given, both by the Glee Club and the soloists. The main program follows.

1. Alma Mater,  
Proudly as the Eagle Glee Club  
Violin Solo, "Mazurka"
